GENERAL TERMS AND CONDITIONS FOR PROCUREMENT OF ENERGY

1. INTRODUCTION

PSPCL is soliciting bids for supply of energy from Inter State/intra state Generators, Traders having interstate trading licensee issued by CERC or Intra State sources through traders having intrastate trading license issued by PSERC, State Electricity Boards, State Electricity Utilities, States, and IPPs & CPPs to enable PSPCL to meet demand/requirement of power in the state of Punjab during the period 1st July-2014 to 31st July-2014.

2. TERMS & CONDITIONS FOR SUPPLY OF ENERGY:

Interested parties are requested to submit bids for the following:

Period	Duration(Hrs)	Quantum in MW
1 st July-2014 to 31st July-2014	00:00-24:00	1400

Note: - Offers from traders not accompanied by LOI of the respective source(s) will not be considered.

Bidder can bid only Round-the-Clock quantum, as per the format annexed to this specification, subject to the terms and conditions as provided in subsequent paras.

3. TRADING LICENSE

The Traders submitting bids should have a valid license from the CERC/PSERC for inter State/intra State trading of Electricity. The trader shall also attach a photocopy of the same along with the bid.

4. BID QUANTITIES:

The Bidders shall indicate the capacity (MW) and quantum (MUs), which he is ready to supply at delivery point. The bidder is required to bid for a minimum of 20 (Twenty) MW and for a minimum period of 10 days otherwise his bid will be rejected. Bidder is required to quote fixed quantum from each source for each period mentioned above. In case, different quantum is offered, then Minimum offered quantum during the period will be considered.

5. Sources:

The bidder shall provide the details of source(s) of supply i.e. whether the energy will be supplied from a specific generating source or portfolio of sources (subject to the condition that PSPCL will only be liable to pay application fee for one application/ single source). In case of portfolio of sources (i.e. Quantum offered from each source is less than 20 MW) then total quantum offered should not be less than 50 MW and billing to these sources shall be fortnightly i.e. on 16th of the month and 1st day of the next month. The bidder shall state the transmission path that will be used and whether the bidder has transmission rights or other transmission mechanism in place.

6. PRICE:

The Bidder shall quote the price (Rs. / Kwh) at which he is prepared to deliver the energy at the delivery point. The price should be on the following basis:

- a) The delivery point shall be the Punjab periphery only i.e. the point of interconnection between CTU network of NR and Punjab State Transmission System. If the power supplier is located in the State of Punjab then the delivery point shall be the interconnection point of supplier terminal with STU terminal of Punjab.
- b) The rate of offered power (in Rs/kwh) should be quoted at the delivery point (i.e. Punjab Periphery) and shall be inclusive of all taxes, duties, cess etc. imposed by Central Govt. / State Govt./ Local Bodies as applicable on the date of opening of tender enquiry and should be limited to 3 (three) decimal points. The Price/rate should be firm and there shall be no escalation during the contractual period. The source of supply of power and trading margin also required to be mentioned separately.
- c) Successful bidder(s) shall be applying for the short term open access booking as per the latest open access Regulations / Guidelines in vogue. The successful bidder(s) shall be responsible for the delivery of power at Punjab periphery.
- d) PSPCL will in no way be liable for any other charges up to delivery point except for the charges of energy delivered at delivery point on the basis of the Regional Energy Accounts (REAs) of the Northern regional power committee as per the latest open access regulations applicable.
- e) Bidder shall only offer Round-the-Clock (0000-2400hrs) powers to PSPCL and their rates.
- f) The transmission charges (Injection and Withdrawal charges), transmission losses (Injection and Withdrawal losses), RLDC charges, application/ concurrence charges or any other charges covered in Open Access Regulations notified by Central Electricity Regulatory Commission (CERC) and the procedure for Open Access stipulated by the

Central Transmission Utility (CTU) (as amended up to date) for supply of energy up to the delivery point shall be included in the sale price i.e. all the transmission charges, transmission losses, load dispatch center charges, application/ concurrence charges or any other charges for purchase of energy up to the delivery point shall be borne by Seller/bidder, if applicable.

- g) If the offer is conditional, PSPCL reserves the right to accept or reject the same without assigning any reason.

7. OPEN ACCESS:

7.1 Booking of Transmission Corridors

The successful bidder(s) shall apply for booking of the open access transmission corridor to nodal RLDC. He shall be fully responsible for the timely filing of open access application before the nodal RLDC and coordinating with the relevant RLDC / SLDC so as to get the timely booking of the open access corridor. The energy shall be scheduled and dispatched as per the relevant provisions of CERC regulations for Short term open access and Procedure for reservation of Transmission Capacity for short-term open access customers (Inclusive of all the amendments till date).

The successful bidder(s) shall apply for booking of advance reservation in such a manner so as to get the maximum quantum from the shortest route.

The successful bidder(s) shall have to book the transmission corridor after making advance payment in full to the Nodal RLDC. The open access booking charges as payable by PSPCL shall be reimbursed to the successful bidder(s) within 7 days of the receipt of the bill raised by bidder(s) if any.

7.2 REFUNDS TOWARDS OPEN ACCESS CHARGES IN CASE PSPCL / SELLER DOES NOT SCHEDULE POWER TO THE EXTENT OF 100% OF BOOKED OA CORRIDOR.

In case PSPCL surrenders the already booked Open Access corridor, PSPCL shall bear the Open Access Charges, to be deducted by NRLDC for such surrender of booked corridor as per the prevailing open access regulations.

In case if the transmission corridor booked on advance reservation basis, is surrendered/cancelled by the trader / seller then all the transmission charges will be borne by Trader/Seller.

8 BILLING AND PAYMENT PROCEDURE FOR ENERGY SUPPLIED:

8.1 Energy Charges.

For the energy supplies made during the month, the successful bidder(s) will be raising weekly bills on monthly basis. For the purpose of the weekly bills, each month shall be divided into four parts, starting from 00:00 hrs of 1st, 9th, 16th and 24th day of the month to 24:00 hrs of 8th, 15th, 23rd and last day of the month respectively. The relevant bill shall be raised based on the provisional weekly energy data (based on the NRLDC data) certified by the successful bidder(s) for the energy delivered at the delivery point. After receipt of the Provisional / Final REA for the previous month issued by Northern Regional Power Committee, the final bill shall be raised by the successful bidder(s). In the final bill the adjustment will be made towards the difference in the actual bill on the basis of REA issued by NRPC for the previous month minus provisional bills issued for the month. The adjustment will also be made towards the rebate already made. This bill shall indicate the energy (as per REA), rate, the total amount due as per this Agreement, rebate for prompt payment and adjustment if any, for the previous period. Accordingly a No Dues Certificate will be issued by the successful bidder(s) to PSPCL within a month of issue of final REA (for contractual Period) for final adjustment, so as to enable PSPCL to refund the EMD deposited by the successful bidder(s) as Performance Guarantee.

In case, energy indicated in REA is more than the schedules approved by Nodal RLDC, then the amount payable will be as per approved schedules for the month.

Note: In case the subdivision of different energy (different tariff) is not available in the implemented schedule and/or REA, the energy shall be bifurcated proportionally on the basis of day ahead schedule issued by successful bidder(s) (on the basis of delivery schedule issued by PSPCL (Buyer)), which is fully concurred by buyer & seller and implemented by RLDC.

8.2 PAYMENT

PSPCL shall make all payments (open access and energy charges) within 7 days from the receipt of Fax bill (excluding the day of receipt of bill) from successful bidder. The bill must be faxed on any working day before 17:00 hrs otherwise the day of receipt of bill will be considered as next working day. However, hard copies of the bill in triplicate shall invariably be sent to the PSPCL through courier. In case the seventh day is a holiday, the next working day would be the due day for the payment.

8.3 REBATE ON BILLED AMOUNT

Success full bidder(s) shall allow 2 % rebate on the billed amount of energy charges including trading margin, if PSPCL makes payment of the bill through Cheque payable at

Patiala or through RTGS by due day of payment.(No rebate shall be applicable on payment of open access charges). Cheque shall be collected by the bidder or its authorized representative from the office of Dy.CE/ISB, T-1 (A) Thermal sheds, Shakti Vihar, PSPCL, Patiala on due date. A surcharge of 15 % per annum shall be applied on all payments outstanding after 30 days from due date of payment. Rebate will be allowed only if PSPCL pays the full amount of the Bill. Thereafter surcharge shall be calculated on day-to-day basis for each day of delay.

8.4 PAYMENT SECURITY MECHANISM

PSPCL shall provide, as payment Security Mechanism, a weekly revolving letter of credit equivalent to 15 days of billing. All charges in this regard shall be borne by PSPCL. The LC shall be operated only in case PSPCL fails to make payment by Due date.

9 SCHEDULING PROCEDURE:

The scheduling and dispatch of the energy shall be coordinated with respective RLDC(s) as per provisions of IEGC and framework of ABT and decisions of RLDC and REB.

10 COMPENSATION FOR DEFAULT IN SCHEDULING.

In case PSPCL / Successful bidder(s) fail to schedule 90% of the monthly quantum approved by NRLDC as per the PSPCL's LOI accepted by bidder(s) / agreement executed, PSPCL / Successful bidder(s) shall pay @ Re. 1.00 (One Rupee) per Kwh for the difference in the quantum between monthly quantum of energy actually scheduled (as per REA issued by NRPC) and 90% of the monthly quantum approved by NRLDC as per the PSPCL's LOI accepted by bidder(s) / agreement executed. (Traders claiming no trading Margin in case of compensation bills shall be preferred).

The above provision shall be applicable on quantities of supplies below 90% on monthly energy terms. No compensation is applicable for quantities of supplies up to 90 % on monthly energy basis.

Note: - One way compensation clause for Non-scheduling of power will not be accepted.

11 TERM OF SUPPLY

The term of supply will be for a minimum 10 days or more. The term of supply can be revised / extended on mutual consent.

12 TENDER
