Introduction

The PSERC (Forum and Ombudsman) Regulations 2016 have been notified by PSERC in exercise of the powers conferred under section-181 and other provisions of the Electricity Act-2003, (36 of 2003) & all other powers enabling the commission in that behalf. As per provisions of these regulations Consumer Grievance Redressal Forums have been established. All appeals arising out of the orders of the DSC's under Consumer Complaint Handling Procedure are heard by the Forum. Consumer can also approach Consumer Grievance Redressal Forum directly for the disputes covered under its jurisdiction. Ombudsman, Electricity has also been appointed by PSERC to hear appeals against decisions of the Forum.

In order to deal with cases of unauthorized use of electricity under Section 126/127 of EA, 03, the Govt. of Punjab has notified Assessing and Appellate Authorities through Notifications dated January 7, 2005 and March 9, 2006 respectively. The State Govt. has, in its Notification dated January 21, 2005 designated Operation Officers, Enforcement Officers and Mobile Meter Testing Squad (MMTS) officers of the rank of Assistant Engineer/Assistant Executive Engineer/ Sr. XEN to function as Authorized Officers under section 135 of EA, 03. Cases involving theft of electricity covered under Sections 135 to 139 of EA, 03 are triable only by special courts established for this purpose in accordance with section 153 of EA, 03.

Section 152 of the EA, 03 permits one time compounding of an offence of theft of electricity by an officer authorized for this purpose by the State Govt. The Govt. of Punjab has since notified the Authorized Officers to compound an offence as well as compounding rates to be charged in its Notification No. 1/27/05 EB (PR) 2004 dated 22nd March, 2006. Section 152 (3) of EA, 03 further provides that compounding of an offence shall be deemed to amount to an acquittal within the meaning of Section 300 of the Code Criminal Procedure, 1973(2 of 1974).

In order to provide an inexpensive, expeditious and efficacious mechanism to resolve the differences and disputes between PSPCL and consumers, Consumer Complaint Handling Procedure (CCHP) has been approved by PSERC vide its notification no. PSERC/Secy / Regu./88 dated 4/10/13, circulated by PSPCL vide commercial circular no. 47/2013 dated 30/10/13. Subsequently four amendments to CCHP have been issued by PSERC and circulated vide commercial circular no. 41/2015, 40/2016, 27/2017 and 61/2018. This procedure establishes Dispute Settlement Committees (DSC's) at Zonal/ Circle/Divisional level (ZDSC, CDSC and DDSC) for redressal of consumer grievances. -

This Guide highlights the important features and relevant details of the Consumer Complaint Handling Procedure and Govt. Notifications issued with a view to operationalizing the interface of electricity entities set up under EA, 2003 with the consumer. PSERC orders, commercial circulars of PSPCL as well as notifications issued by GOP are /will be available on their web-site.
