EVALUATION METHODOLOGY

- The Board of Trustees may appoint such Committee(s) / Consultant(s) as they consider necessary to assist the process of evaluation of the RFP package submitted by interested parties.
- Based on the RFP submitted by the interested parties, the PSPC PF Trust will carry out an evaluation of the qualification of such applicants.
- The evaluation committee shall evaluate the Technical Proposals on the basis of their responsiveness to applicable evaluation criteria, sub-criteria, and point system specified in the Bid document.
- Each responsive Proposal will be given a technical score (St.). A Proposal shall be rejected at this stage if it does not respond to important aspects of the Bid Documents, and particularly if it fails to achieve the minimum technical score of 60 points out of maximum 100 points.
- After the technical evaluation is completed, the PSPC PF Trust shall inform the Bidder(s) who have submitted proposals the technical scores obtained by their Technical Proposals, and shall notify those Bidders whose Proposals did not meet the minimum qualifying mark or were considered non responsive, that their Financial Proposals will be returned unopened after completing the selection process.
- The Trust shall simultaneously notify in writing Bidder(s) that have secured the minimum qualifying mark, the date, time and location for opening the Financial Proposals. The opening date shall allow Eligible Bidder(s) sufficient time to make arrangements for attending the opening. The attendance at the opening of financial Proposals to all eligible Bidder(s) is optional.
- The lowest evaluated Financial Proposal (Fm) (Fee quoted upto Rs 1000/- shall be taken as Rs 1000/- for calculation of financial bid score only) will be given the maximum financial score(sf) of 100 points. The financial scores (sf) of the other Financial Proposals will be computed as below :

Sf = 100 X Fm / F, in which Fm is the lowest price and F the price of the proposal under consideration.

- Proposals will be ranked according to their combined technical (St) and financial (Sf) scores using the weights (T = the weight given to the Technical Proposal; P = the weight given to the Financial Proposal; T + P = 1) indicated in the Bid Document: $S = St \times T\% + Sf \times P\%$. the firm achieving the highest combined technical and financial score can be invited for negotiations. In the case of a tie in the combined scoring, the entity with the highest technical score shall be considered for appointment.
- If at any time during the evaluation process, the PSPC PF Trust requires any clarification in order to carry out the evaluation, it reserves the right to request

such information from any of all of the bidders who will be obliged to respond to any reasonable request for such information and to supply the same to the PSPC PF Trust within such reasonable time frame as the PSPC PF Trust may require, if the RFP is to be processed further.

- The portfolio Advisor shall forthwith inform the PSPC PF Trust authorities of any material change in the information or particulars previously furnished, which have a bearing on the appointment granted.

TENURE OF APPOINTMENT

The appointment of the Portfolio Advisor shall be for a period of 2(two) years. This may be extended by mutual consent of the Portfolio advisor concerned and PSPC PF Trust by depending on the performance of the former. The performance of Fund Advisor shall be reviewed on a regular basis and the PSPC PF Trust reserves the right to terminate the appointment of any of the Portfolio Advisor if their performance is not up to the mark by giving 3 months notice.
