

PUNJAB STATE POWER CORPORATION LIMITED
GGSSSTP, RUPNAGAR (PUNJAB)

Subject: Expression of interest for the work of de-silting intake head regulator adjoining stilling basin and forebay stage-I at GGSSTP, Rupnagar.

De-silting/dredging of all types of soil/silt/sand/debris etc. from the bed in running water and with static head of about 8 mtrs. From the intake head regulator, adjoining stilling basin and forebay stage-I at GGSSTP, Ropar. The depth of deposit varies from 0 to 5 mtrs and having weed growth. The soil/silt/sand/debris etc. is to be removed by deploying heavy duty suction dredger/any other approved method and pumping the same to a location as per directions of Engineer-in-charge to a distance with 500 mtrs. including all T&P, men and machinery required for the work. Interested firms are requested to visit the site on any working day before 12-10-2012 and submit their proposal. Please contact the following for further details.
