Dated 09-12-2021

Subject:- Provision of Technical as well as Non-Technical Trainings at 'Technical Training Institutes' of PSPCL on payment basis for other organisations.

'Technical Training Institute, PSPCL, Shakti Vihar, Patiala' is recognised by Central Electricity Authority, as category-1 (grade-A) training institute for imparting trainings relating to operation and maintenance of electric power plants/systems in the field of Thermal/Hydro/Transmission/Distribution/Power Management. This is the only one Grade-A recognised institute in North India.

At present this institute conducts trainings for all type of categories of newly recruited employees of PSPCL and also conducts refresher trainings for its existing employees, which include short term and induction training programmes. This institute also conducts on-site training camps. The expertise of our trainers is also being utilised by Rural Electrification Corporation, Hyderabad, who hire faculty members of our institute. All faculty members of this institute have ample experience of working in the power sector.

Now we have started conducting Technical as well as Non-Technical Training programmes for employees of organisations other than PSPCL on payment basis. The detail of the proposal is attached herewith (Annex 'A'). All Government, Public and Private sector organisations and industries are requested to avail low cost high technical training facility of PSPCL for betterment of Power sector/industries.
