It has been decided to empanel your firm for private sale for Supply, Installation, Testing, Commissioning, Reading, Analysis and 1 year O&M of Power Quality Meters complying to IEC 61000-4-30 class A against T.E. No. MQP-194/PO(M) to consumers/prospective consumers of PSPCL at a total retail Firm FOR price of Rs. 355300.00 per node (inclusive of Ex-works rate + packing & forwarding charges forming part of production cost with 10 % profit margin plus applicable taxes extra) as per terms and conditions of the empanelment in the tender enquiry MQP-194. Detailed breakup is as under:

Item	Ex-works Price (Per unit) inclusive of packing & forwarding charges forming part of production cost.	Ex-works prices with 10% profit margin	Freight charges & transport risk insurance etc.	GST (in % age)	GST on item, if applicable	Entry Tax or any other tax/levy	Price FOR Destination Per Node FIRM rate (Rs.)
Supply, Installation, Testing, Commissioning, Reading, Analysis and 1 year O&M of Power Quality Meters complying to IEC 61000-4-30 class A against Tender Enquiry No. MQP-194/2021-22/PO (M) and its corrigendums & relevant standards	273728.814	27372.881	0	18%	54198.3051	0	355300.00

These meters shall be supplied strictly as per tender specification MQP-194/PO(M) along with corrigendum's thereof and subsequent correspondence.

The aforesaid Empanelment is made subject to following terms and conditions:-

1. Firms shall write on the nameplate the words "Private sale under PSPCL Jurisdiction".
2. This office can de-empanel any firm due to bad performance, change in specification of meters and Over-charging from the consumer over the rates fixed as above etc within the empanelled period.
3. The firms shall be eligible for private sale during the month only after delivering the said material to PSPCL for the month as per delivery schedule of Purchase Order if order is placed on them.
4. To ensure the quality of material, the firms will get meters inspected in suitable lots by a team of two officers of PSPCL as per terms & conditions of this spec. MQP-194/PO(M).
5. 100% testing of all the meters sold in private market shall be carried out in respective M.E. Lab of PSPCL before installation at consumer's premises. In case, the testing equipment is not available by the time the meters are procured then the meters will be accepted based on the routine tests and the type test certificates submitted by the firm.
6. The Private Sale of meters shall be allowed without any cut-off date unless otherwise withdrawn. This specification is a guideline, for Power Quality metering features. However, the Tenderers should offer the meter as per standards bringing out clearly the all-technical features provided in their Power Quality Meters.
7. CE/Metering shall be authorized for acceptance of quantities for private sale by firms as per field requirement

Kindly acknowledge the receipt.
