Memo. No. 68395/420 /FP-1/81-82.

Dated Patiala, the 30.3 /1988.

Subject: Guidelines for the grant of selection grade.

-:00:-

The Board, vide Circular Memo. No.150289/568/FP-1/81-82 dated 26.11.1982 had decided to introduce time limit of 15 years service for the grant of selection grade in the cadre of Superintendents (H.O.) and Under Secretaries with effect from 4.11.1982. The qualifying service would be either in the basic scale or as a sum total of employee's service in the basic scale and in the one scale next below. Due to introduction of time limit of 15 years service, none of the Superintendents Grade-I and Under Secretaries could get the selection grade.

2- The Board has reconsidered the entire issue on the pattern of State Govt. It has now been decided that the Superintendents Grade-I and Under Secretaries be granted Selection Grade in the following manner :-

- 1) For the purpose of granting selection grade to Supdt. Grade-I and satisfying the requirement of 15 years, the period of service as Assistant (H.O.)/Superintendent Grade-II and Supdt. Grade-I is taken into account subject to the condition that the period spent by the officer claiming selection grade shall not be less than 5 years in his own grade.

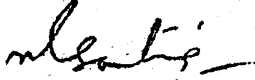

- 2) Under Secretaries.

These posts are promotional posts for the Supdts., and the employees promoted to these posts invariably put in more than 15 years of service in their service career. For the purpose of granting selection grade to the Under Secretaries, they can be deemed to fulfil the criterion of having put in 15 years of service in the cadre. As such, the Under Secretaries may be granted selection grade on the basis of seniority-cum-merit, subject to the condition that the period spent by the officer claiming selection grade shall not be less than 5 years in his own grade.

-■-■-

The Board vide its office order No.406/Fin-506 dated 23.3.1987 has framed and circulated PSEB (Grant of Interim Relief) Regulations, 1987. A clarification has been sought for as to whether these Regulations are also applicable to the suspended employees and, if so, at what rates, the interim relief is admissible to them. The matter has been examined and it is clarified that Board employees under suspension are entitled to interim relief as per provisions of Regulation-2 of the PSEB (Grant of Interim Relief) Regulations, 1987, and the amount of interim relief is to be calculated on the basis of subsistence allowance admissible to the concerned Board employee placed under suspension.

Memo. No. 77635/665 /Fin-49.

Dated Patiala, the 22/4 /1988.

Subject: Economy in expenditure.

-:00:-

In view of the continuing constraint on financial resources, it is considered necessary that utmost economy should be observed in the Punjab State Electricity Board. It has, therefore, been decided by the Board that the following measures should be adopted with immediate effect for effecting economy in expenditure during the year 1988-89 :-

(A) 10% ECONOMY CUT ON THE NON-PLAN EXPENDITURE.

To achieve the afore-mentioned objective, minimum cut of 10% on the non-committed portion of the non-plan expenditure during the year 1988-89 may be imposed. The Heads of Departments should undertake immediate review of all their non-plan expenditure for the current year and identify areas where this expenditure could be reduced. The proposals for effecting 10% cut in non-plan expenditure should be forwarded to the Financial Advisor for necessary action. In case, such proposals are not received in time, the Financial Advisor (Budget Section), will impose 10% cut on such expenditure, at its own level, with the approval of Member/Finance & Accounts.

(B) BAN ON CREATION OF POSTS.

Ban already imposed vide this office circular letter No. 100305/331 dated 29.4.1987 for creation of new posts will continue for the year 1988-89. However, only such posts as

are considered absolutely essential e.g. for manning new Sub-Stations or are directly productive should be created. Further an exercise should also be undertaken to locate the surplus staff in different offices of the Board and divert them to areas where they are immediately needed.

(C) RESTRICTIONS ON THE USE OF TELEPHONES.

The instructions already issued on the above subject vide circular Memo. No.4074/4088/Fin-49/81-82 dated 8.1.1982, and re-iterated vide Memo. No.100305/331/Fin-49 dt.29.4.1987 may be followed in letter and spirit.

(D) TOUR OUTSIDE THE STATE.

The restrictions on tours and use of Staff Cars earlier imposed vide Para-IV of Circular Memo.No.266860/879/Fin-49/83-84 dated 14.12.1983 and Memo. No.226078/108/Fin-49/Vol-II dated 19.11.1987 are again re-iterated with the modification that adhoc cut of 5% on Budget provision for Travelling Allowance in respect of all the officers should be imposed during the Financial year 1988-89.

(E) PLAN ON THE PURCHASE OF MOTOR VEHICLES.

The instructions issued by the Punjab Govt. vide letter No.6/1/84/B&C(1)/4444 dated 23.5.1984 and adopted by the Board vide circular Memo. No.78745/79145/GB/G-1656 dated 2.7.1984 are re-iterated. Proposals for essential purchase of Motor Vehicles, should be put up before the "Standing Committee on Vehicles."

(F) GENERAL.

1) Additional allotment of funds will not be made in the revised estimates for office expenses. The expenditure should be restricted to the Budget provisions available during the year and no liability on this account should be carried forward to the next year. To ensure this, the Controlling Officers should monitor the expenditure periodically.

ii) The expenditure on travelling should be cut to the required extent by laying down norms of touring by various functionaries in the Board and ensuring that no liability of pending Travelling Allowance Bills in respect of journeys during the year is allowed to accumulate for payment during the next year.

iii) A time-bound action programme may be drawn up for reviewing all programmes and activities with a view to prioritising expenditure so that expenditure on in-essential and low priority items are reduced or eliminated. There should be no reluctance to give up a scheme or activity in case it is established to be wasteful and incapable of being effectively administered or managed. It may be ensured that the existing personnel, who become surplus as a result thereof are deployed on new activities and schemes instead of making recruitment of staff for new activities and schemes.

iv) The expenditure on dinners, lunches and receptions should be frugal.

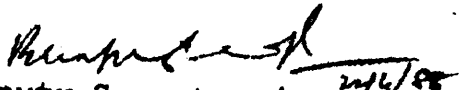

v) Prior concurrence of the Finance Section may be obtained in respect of each training programme before undertaking it except those of routine nature already envisaged at the T.T.E., Patiala/Technical Training Centres.

vi) There should be no purchase of new fixtures/furnishings solely because of a change in incumbent of the office.

vii) Very restricted expenditure should be incurred on printing and distribution of calendars, diaries, greeting cards, personal letter heads and other expensive items in connection with the new years and other festivals.

Receipt of this letter may please be acknowledged.
