Memo No. 151451/15295 /Fin-II/6/L-I(PS)

Dated, Patiala, the 12th, Dec., 2000.

Subject:- Revision of Pay Scales of Board Employees -
Clarification for fixation of pay.

Govt. of Punjab, Department of Finance vide its letter No. 7/44/98-FPI/11778 dated 21.10.98 issued clarificatory instructions on some of the provisions of the Punjab Civil Services (Revised Pay) Rules, 1998 with regard to the manner in which pay is to be fixed or increments regulated under certain circumstances. These instructions were circulated

Contd ..2.

vide this office memo No. 1009/2309/PRC-111 dated 6.1.99 (F.C. No. 1/99) to all concerned for reference/guidance with the directions that the pay fixation already done on provisional basis in the light of guidelines earlier issued by this office vide memo No. 77858/78558/PRC-111 dated 16.6.1998, should be reviewed and recoveries of over-payments made, if any, be effected accordingly.

2. Implementation on some of the issues is still being disputed by the Unions. The matter has been considered and the points of doubt are further clarified as under :-

S.No.	Points	Clarifications
(i)	Whether the benefit under third proviso is to be granted in case of promotion only or on grant of promotional scales also.?	As per Punjab Govt. instructions, the benefit under third proviso is to be counted from the stage at which the pay of an employee is fixed on promotion in the existing scale. In PSEB, in addition to regular promotions, there is concept of 9/16 years promotional scales, on grant of which the officer is entitled to the benefits of fixation of pay as admissible on promotion under Reg. 8 of PSEB (Revised Pay) Regulations, 1988. Hence, the benefit under third proviso needs to be counted from the stage at which the pay is fixed on promotion or grant of 9/16 years promotional scales as the case may be.
(ii)	Whether benefit of bunching and stepping up of pay is to be allowed after identifying particular officers/officials in the cadre.?	As clarified by Punjab Govt. benefit of bunching and stepping up of the pay in such cases is to be allowed only after identifying the particular officers/officials in the cadre. The implementation of this clarification is not practically possible for the reason that it is not possible to identify various other officers whose pay is getting bunched at the same stage, for each and every official of the Board due to their service record being maintained at different places. Also a small cadres, employee should not be a loser just because there are no other employees actually working at different stages from where pay was

Contd....3.

getting bunched. To be fair to one and all, the identification can be made only w.r.t. stages in the scales and not w.r.t. individual employees working at those stages. Consequently, benefit of bunching is to be worked out w.r.t. initial start of pay scale and not w.r.t. the stage at which pay of an individual employee is fixed.
