Subject: Grant of Interim Relief to the pensioners of the Government of Punjab.

-:00:-

I am directed to invite a reference to the subject cited above and to state that consequent upon the recommendations of the Third Punjab Pay Commission, the President of India is pleased to grant interim relief, with effect from the 1st Jan., 1986, to the pensioners of the Government of Punjab who had retired prior to the 31st March, 1985, including family pensioners relevant to that period subject to paragraph-7 of this letter at the rate of 15% (fifteen per cent) of their basic pension subject to a minimum of fifty rupees per mensem.

1.1. The basic pension for this purpose will mean the total basic pension before commutation admissible on the 1st January, 1986 and will not include the adhoc relief admissible upto consumer price Index-608.

1.2. The payment of interim relief involving fraction of fifty paise and above shall be rounded off to the next higher rupee and the fraction of less than fifty paise shall be ignored.

2. The interim relief being allowed under these orders shall be taken into account for the determination and payment of the instalments of Dearness Relief which became due or will become due hereafter, on the basis of increase in prices after Consumer Price Index 608, that is, the instalments of Dearness Relief granted from the 1st July, 1986, onwards.

3. These orders will not apply to pensioners whose pension have been determined on an adhoc basis without reference to the emoluments drawn by them, that is, political pension, special pension, war risk pension etc. The relief will also not be admissible to the re-employed pensioners during the period of re-employment. These orders will, however, apply to the family pensioners who have been allowed an adhoc family pension of Rs.125 per mensem, -vide paragraph-2 of this Departments' circular No.38/52/80-6FR/2056, dated the 3rd March, 1981.

4. The interim relief mentioned above will not be admissible to the employees permanently absorbed in bodies controlled or financed by the Govt.

who on permanent absorption in any of the said bodies elects the alternative of receiving the death-cum-retirement gratuity and lump sum in lieu of pension, as permissible in rule 5.3 of the Punjab Civil Services Rules, Volume-II will not be eligible to receive the interim relief even after he has ceased to be in the employment of the body concerned.

5. The grant of this relief is subject to adjustment against the benefits that would accrue to the pensioners in view of the decision to be taken by the State Government on the final re-commendations of the Third Punjab Pay Commission.

6. The expenditure will be debited to the Major Head '2071-Pension and other retirement benefits.'

7. For the time being, the orders contained in this letter are applicable only to the pensioners who retired on or after the 1st November, 1966. Since the liability in respect of the pensioners/family pensioners pertaining to the period before 1st November, 1966, is divisible amongst the Government of Haryana, the Government of Himachal Pradesh and the Chandigarh Union Territory Administration, in accordance with the provisions of the Fourteenth Schedule to the Punjab Reorganisation Act, 1966, those Governments/Administration are being requested to convey their concurrence in the matter. After their concurrence is received, further orders will be issued in respect of the pensioners/family pensioners pertaining to the period prior to the 1st November, 1966.

Memo. No. 226078/108 /Fin-49/Vol-II.

Dated Patiala, the 19.11 / 1987.

Subject: Austerity measures in the context of drought situation in the State.

-:oo:-

The Government of Punjab, in the department of Finance, vide its letter No.5/30/87-FBI/11303 dated the 13th Oct., 1987, have formulated austerity measures to effect all-out economy in expenditure to meet with the current drought situation in the State. In consideration of the exigency of the situation, it has been considered necessary to take effective steps to economise the expenditure in the Board as well. It has, therefore, been decided by the Board that the following measures should be adopted with immediate effect for effecting economy in expenditure during the remaining part of the current financial year :-

- i) No expenditure should be incurred in the current year on non-plan schemes which have not been commenced by the 15th Nov., 1987. The implementation of these schemes should be deferred to the next year.
- ii) The expenditure on non-essential and low priority programmes/activities should be reduced or eliminated in the current financial year by conducting fresh review of all programmes and activities at the level of Head of Department.
- iii) The expenditure on dinner, lunches and receptions should be drastically reduced. In case any expenditure on entertainment is required to be incurred at the instance of State Govt. or any other authority prior sanction of Chairman should be obtained.

- iv) All festivals, fairs and exhibitions for which firm commitments have not been made by the 15th Nov., 1987 should be postponed till the end of the current financial year. Even where firm commitments have been made, the proposed expenditure should be carefully scrutinised and all non-essential and ostentatious items should be cut out.
- v) The training programmes, except training to the fresh appointees & training already being imparted in the T.T.I./T.T. Centres, during the remaining part of the current financial year should be scrutinised and deferred to the next financial year.
- vi) The work of display of advertisement and publicity should not be undertaken except where absolutely necessary. In that case, the approval of Chairman should be obtained.
- vii) There should be no purchase of new fixtures/furnishings solely because of a change in incumbents of the offices.
- viii) The economy measures as already imposed vide this office circular letter No. 100305/331/Fin-49 dated 29.4.1987 regarding 10% cut on non plan expenditure, ban on creation of posts, restriction on the use of telephones, tour out-side the State and ban on the purchase of Motor Vehicles etc. should be strictly adhered to. The use of staff cars should be restricted. The staff cars should not be used for one way journey; for example an officer going on tour to the places beyond Delhi should not take staff car to Delhi. They can, however, be paid Auto Rickshaw/Taxi fare for local journeys at Delhi. Similarly, number of officers visiting for the same station should travel in one vehicle instead of going in different staff cars by coordinating their programme.
- ix) The expenditure on annual maintenance of buildings/polishing of furniture should not be incurred during the remaining current financial year.
- x) The purchase of stores should be minimised and works may be carried out with the stores in hand as far as possible.
- xi) The expenditure on construction of new buildings should be reduced by avoiding use of expensive building material and adopting simple designs.
- xii) The expenditure on overtime payments should be reduced by making every possible adjustment in the duties of the staff.
