Subject: Fixation of pay of re-employed pensioners and family pensioners.

Sir/Madam,

I am directed to refer to Punjab Govt. letter No. 6/287/91-FP-II/841, dated 23.1.92 which interalia provides only the provisions for the fixation of pay of re-employed pensioners i.e. Civilian pensioners and ex-servicemen pensioners, respectively. References are being received in the Department of Finance relating to fixation of pay of employed family pensioners under rules-7.18 and 7.20 of the Punjab Civil Service Rules, Volume-II.

2. The family pensioners are employed after the death of their spouse and according to the existing provisions of the above said rules, the pay of family pensioners on employment is supposed to be fixed at the initial stage of the scale of post on which he/she is employed. Such family pensioners are entitled to receive initially pay of the scale, D.A. and other admissible allowances. The Govt. of India, Ministry of Finance, Department of Expenditure vide its letter No. M.23013/152/79-CGA/VI.(pt.)/1113, dated 26.3.1984 conveyed its decision that no relief be paid by the pension disbursing authority to the re-employed pensioners(including family pensioners) during the period of their employment/re-employment. Resultantly, a sufficient amount of dearness allowance on pension is deducted either by pension disbursing authority, direct, or by the employer from the pay and very little amount is left behind payable to the family pensioners for his/her services every month with which it becomes quite difficult to make both ends meet and to support their family members adequately who are dependent upon them and to present their best self to the

Society. This matter of financial hardship to employed family pensioners had been under consideration of the State Govt. for some time past. After careful consideration, it has now been decided to insert the following provisions in the letter referred to above:-

Para(c) under para-1(A):

(c) In the case of family pensioners, the initial pay(i.e. basic pay) on employmet will be fixed at the minimum of the scale of pay of the employed post. He/she will be permitted to draw separately family pension sanctioned to him/her and to retain any other form of retirement benefits.

Para(c) under para-1(F):

(c) In the case of a family pensioner, the drawal of dearness allowance will be regulated with reference to his/her basic pay allowed in employed post and the family pension taken together. The taking of the family pension together for the purpose of D.A. shall seize the moment, the Govt. of India stop deduction of dearness relief from employed family pensioners.

3. These instructions shall take effect from 1.2.92 but individual cases of hardship prior to this date may be referred to the Finance Department for relaxation within a period of six months.
