PUNJAB STATE ELECTRICITY BOARD

(Finance Section)

Finance Circular
No. 82/89

ORDER

No. 174 /PRC/FIN-1988

Dated: 19-7-89

The Punjab State Electricity Board have been seized of the problems of stagnation prevailing amongst the various cadres of regular employees and its consequent effect on their efficiency. It is felt that an employee should under ideal service conditions get normally two promotions from his initial recruitment level during his service. However, this is not always possible owing to non availability of promotional posts. The aspirations of the employees can, however, be met to a great extent by allowing time bound higher scales to the employees at two stages in their service career. The Punjab State Electricity Board has, therefore, decided to introduce a scheme to allow 'time bound benefit of the next higher scale' after the completion of 9 and 16 years of service to the subordinate employees having a maximum scale upto Rs. 3500/- except the categories where benefits of time bound placement to higher scales is applicable on the Punjab Govt. pattern, as in the case of teachers etc. The scheme for time bound placement to higher scale will take effect from 1-5-1989 as hereunder:-

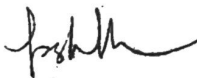

1.

The benefit of first time bound placement into higher scale would become available to an employee on completion of 9(Nine) years of regular service on a post and the second time-bound placement into higher scale would become available after completion of 16(Sixteen) years of service. If an employee gets normal promotion to the next higher post before completion of 9 years service from the date of direct recruitment then he will not be given first time bound higher pay scale. He will be eligible to get second time bound scale after the completion of 16 years of service counted from the date of direct recruitment provided he does not earn second normal promotion before the completion of the above said 16 years of service. Further an employee placed into the first higher scale on account of his length of service will not be placed into the second higher scale before completion of at least three years from the date of his placement into the first higher scale.

For example, an employee who has completed 17 years service in a post on 1-5-89, will be allowed 1st time bound higher scale on 1-5-89 and the IIInd time bound higher scale will be admissible on 1-5-92 i.e. after completion of 3 years service in the 1st time bound higher scale.

2. For granting time bound higher scale to each employee in any cadre, the prescribed period will be counted from the date of commencement of service on the lowest post on which regular appointment has been made through direct recruitment in the concerned cadre.
3. At the time of placement in the higher scale, the employee will be given promotional increment/increments as are admissible on promotion under the provisions of Regulation 8 of PSEB (Revised Pay) Regulations, 1988 as amended from time to time.
4. If an employee already in the service of the Board, is directly appointed to a higher post through open selection then for the purpose of grant of time bound higher pay scale in that cadre, counting of the period of service will commence from the date of joining the above post by direct recruitment.
5. The Board shall draw up schedule(s) indicating the lowest post(s) for direct recruitment in respect of various cadres for the purpose of this order, separately.
6. In case an employee has already availed of the benefit of placement to the higher time bound pay scale(s) and is promoted to the next higher post, his pay would be fixed at the next stage in the same scale. In case he is promoted to a post which is lower than the scale in which he has already been placed on time bound promotion, he will not be entitled to any increment and continue to draw the pay of the scale in which he has already been placed.
7. In case of employees who do not fulfil the qualification/passing of exam. essential for their promotion to the next higher post they shall also be placed into a higher time bound scale to be specified by the Board in the schedule referred to in para-5 above.
8. No anomaly of pay would be claimed by any senior employee vis-a-vis an other employee merely on the strength of latter getting his placement into the higher time bound scale.
9. The authority competent to grant proficiency step up to the concerned employee shall be the competent authority to place him in the higher time bound scale.

If any question arises relating to the interpretation of any of the provisions of these regulations, the Board shall decide the same.

Secretary,
Punjab State Electricity Board,
Patiala. *nl*

Memo No. 151785/152415 /PRC/Fin.-1988/L-I

Dated : 26. 7 /1989.

Subject: Grant of House Rent Allowance in the revised
scale of pay.

--:00:--

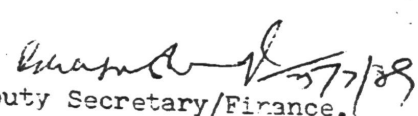

The Board vide office order No. 142/Fin/PRC-1988
dated 7.3.1989 has sanctioned House Rent Allowance w.e.f.
1.9.1988 in the revised scale of pay. Paras-10 and 11 of
the Annexure to the said order read as under :-

10. Whether the husband/wife of the employee
is in service of a State/Union Territory/
Central Govt. an autonomous Public under-
taking; semi-govt. organisation? If so,
whether he/she is in receipt of house rent
allowance from that Govt. Organisation?
11. Whether more than one member of the family
is an employee of the Government and are
occupying the same accommodation? If so,
whether the employee (claimant) is the
head of the family?

As per provisions contained in para-11 of the
said order only one of the family members (Head of family)
can claim house rent allowance.

2.- A question has arisen as to whether the house
rent allowance is to be paid only to the husband when
husband and wife both are the employees of the Board/Govt. and
residing in the same accommodation.

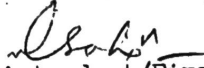

3.- The matter has been considered at length and
it has been decided that either of the two i.e., husband
or wife could be nominated as head of family for the
purpose of drawal of house rent allowance. Option once
exercised would not be changed.

Deputy Secretary/Finance.
