EXPRESSION OF INTEREST FOR PROCUREMENT OF PRE-PAID METERS

The Punjab State Electricity Board intends to provide Pre-Paid metering system for about 200 to 500 no. Single Phase/Three Phase consumers as a pilot project. After successful implementation of the system, these meters shall be installed progressively in other parts of the state. Bidders, who are manufacturer of these types of metering system are invited to indicate their interest by giving their technical proposals on this metering system along with their qualifications and past experience in supplying such systems and certificates on feed back from end users. Thereafter a demonstration / presentation of the meters by the bidders / pre-bid conference shall be held to enable PSEB finalize/freeze the technical specification for inviting bids.

Interested parties may obtain further information at the address below during office time (09.00 to 17.00 Hrs.) on working days. Expression of interest must be delivered to the address given below by 15.01.09.
