English Paper (200 Words) 4 Minutes dictation.

I am directed to say that Government had for sometime under consideration the question of relaxing age limit of entry into service under the Punjab Government for married women. Government consider that the lot of such women is generally very hard in the present stage of our social development. They should be specially provided for to enable them to earn bread for themselves and their children if any. As such, women may quite often be above the prescribed minimum age for entry into Government service when they find it necessary to seek employment under Government. It has been decided that the maximum age limit in the case of such women should be raised to 35 years. I am to add that a woman will be required to submit with her application an affidavit to the effect that she has been deserted by her husband and has been living separately from him for more than two years and this affidavit should be signed by two persons. Where however, a woman has remarried on the relevant date she should not be eligible for the above concession. The matter of age be brought to the notice of all.

P.S. Referred by Secretary 29/1/51

I am directed to say that it has been represented to Government that such employees, as are sometimes selected by the department to take part in important activities find it difficult to participate in the event on account of the limited number of casual leave at their disposal. The matter has been considered by Government and it has been decided that such employees will be allowed a concession of special casual leave up to 10 days at a time for participation in any of the events subject to the condition that an overall limit of such special casual leave in a year will not exceed 30 days. I am directed to further say that ex-servicemen, who have been provided with artificial limbs do not get any special casual leave for such purposes. When no leave is due to their credit, they have to be granted leave without pay and allowances resulting in financial hardship to them. The matter has been considered by the Government and it has been decided that special casual leave for a maximum period of 15 days will also be given to the ex-servicemen who are hospital in connection with the treatment.
